

## **Morgan paintings and limited-edition prints.**

Dear Sir/Madam,

I am an artist living in the UK specializing in car paintings and I have recently painted a number of paintings of Morgan cars. I am currently displaying my work exclusively at the showrooms of Morgan dealer Richard Thorne Classic Cars, who are based near Reading, in the UK.

I have also displayed my Morgan work both at The National Motor Museum at Beaulieu and at the Morgan Centenary Celebrations at Cheltenham.

I am also able to paint commissions of member's cars, you can view previous commissions and my Morgan paintings and limited-edition prints at my website:
